Acrylux MatTE Anti-fingerprint - ideal solution for individuals looking. The boards are covered with a super-matte laminate with special hydrophobic surface. A wide range of colors in the Acrylux Mat Anti-fingerprint collection allows for creating unique furniture with an interesting character, while the functionality of the surface enables easy maintenance to keep them impeccably clean!

## USEFUL INFORMATION

- Easy to maintain cleanliness - fat and liquids run off thanks to the adsorptive properties of the laminate
- No "fingerprints" on the fronts
- High resistance to scratches, chemical damage, and UV radiation
- Perfect color depth
- Super matte, satin-touch surface finish
