

ACRYLUX MAT METALLIC

Technical data

- Dimension: 2800 x 1300 mm / 2800 x 1240 mm
- Thickness: 18 mm (PP)
- Base: MDF, chipboard made to order
- Made to order: 6 - 48 mm
- Directional surface: marking on foil ↑ ↓

Acrylux Matte Metallic is an acrylic furniture board, covered with a matte ABS/PMMA laminate, with a thickness of 0.6 mm, featuring a metallic surface effect. The gloss effect changes depending on the angle of inclination to the light source. The laminate of the board is protected by a protective film, on which there are arrows - when ordering and mounting the fronts, pay attention to ensure that the arrows are oriented in the same direction.

USEFUL INFORMATION

- Easy to keep clean
- Highly resistant to scratches, chemical damage and UV radiation
- Perfect color depth
- Matte, satin-touch surface finish
